As a self-employed, fully registered, licensed and insured Pet Carer, places are limited, as well as for the safety of your pet. If you make a booking with me then I will assume this as a commitment and will not take further bookings if this means that too many pets will be with me at any one time. I understand that plans sometimes change, however I would ask that you take this into consideration should you need to amend or cancel any booking that you make with me.

**For Bookings of 5 consecutive Days or more a minimum of 30 DAYS NOTICE
